

Low-Profile MatTop Conveyor

Standard Widths of 6", 12", 18", and 24"

Conveyor Solutions

Image Modified to Feature Low-Profile Conveyor

The low-profile mattop conveyor offers a cost-effective, space-efficient, and versatile solution for transporting materials, allowing for seamless integration and optimization of production lines. Having compact design with a slim frame, makes it suitable for applications where manufacturing floor space is limited or where the low-profile conveyor needs to be integrated into existing production lines or machinery. The shallow frame and noser section facilitate smooth and tight material transfers, reducing the risk of jams or obstructions. Low-profile conveyors are available in a straight configuration with an option to incline or decline.

FEATURES

- Small footprint, Compact design
- Lightweight and easily moved
- Efficient material handling
- Flexibility with integration
- Easy maintenance
- Simplified access to tight areas

INDUSTRY SEGMENTS

- Snack Food & Bakery
- Packaged Foods
- Contract Packaging
- Beverage
- Personal Care
- Pharmaceuticals
- Household Cleaning Products

APPLICATION TYPES

- Bottles
- Boxes
- Bundles
- Cans
- Cartons
- Cases
- Jars
- Pouches
- Tapered Cups

BECOME A DISTRIBUTOR FOR MCE!

Build Your Best Conveyor Business

MCE is always looking for the right partners in areas where MCE conveyor systems and equipment products are not available. Our goal is to help conveyor distributors offer quick-ship, efficient conveyor solutions.

ADVANTAGES WITH MCE

- Broad Product Line
- Industrial Duty Systems and Components
- Quick Shipment
- Commercially Available Parts
- Easy Installation
- Extensive Manufacturing Capabilities
- Quick and personal application reviews with our MCE conveyor experts

We have a talented and dedicated team of conveyor experts with many years of experience who are ready and willing to help take your business to the top. It's our dealer-driven philosophy that separates us from all the others. If you're ready to form your best conveyor business relationship, contact us for more information about becoming an MCE distributor.
